QSuper Class Action — Late Registration Email

Send to: qsuper@shine.com.au
Subject: [URGENT][FINANCIAL][QSUPER] Late Registration Request — Member 194997808 — Deadline 16 April 2026

EMAIL TEXT (copy and send as-is)

Dear Shine Lawyers QSuper Class Action Team,

I am writing to request late registration in the QSuper class action proceedings currently before the Federal Court of Australia.

My details:

- Full Name: Andrew Bruce-Sanders
- QSuper Member Number: 194997808
- Class Action ID: CL00512793-00

Reason for late registration:

I am the sole full-time carer for my mother, Cheryl Bruce-Sanders (DOB 11/09/1947), who has been diagnosed with Cerebral Amyloid Angiopathy (CAA), a progressive neurological condition. I have been providing 24-hour care without respite for over 90 consecutive days. I also have chronic kidney disease which has significantly impacted my capacity to manage administrative matters during this period.

Due to these extraordinary circumstances, I was unable to register within the original deadline. I was not aware of the proceedings until recently, and upon becoming aware, I am acting immediately to register before the Federal Court's late registration deadline of 16 April 2026.

I respectfully request that Shine Lawyers accept my late registration and confirm my eligibility to participate in the class action settlement.

I am available to provide any supporting documentation, including medical evidence of my mother's condition and my caring responsibilities, if required.

Please confirm receipt of this email and advise of any further steps required.

Yours sincerely,

Andrew Bruce-Sanders
